UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON

In the Matter of Transcript Rates of OFFICIAL COURT REPORTERS.

O R D E R

WHEREAS, action taken by the Judicial Conference of the United States at its meeting held on September 22 and 23, 1966, with regard to transcript rates of court reporters, approved an increase over existing rates; and,

WHEREAS, the United States District Court for the Western District of Washington finds that existing rates for ordinary transcript and for daily transcript are insufficient to provide a fair and just return for the making of such transcript because of the increase in typing costs, the costs of supplies, and the general high level of prices; it is, therefore,

ORDERED that, from and after the date of this order and the certification thereof to the Director of the Administrative Office of the United States Courts, the transcript rates in this district shall be:
