UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

IN RE: PHENYLPROPANOLAMINE (PPA) PRODUCTS LIABILITY LITIGATION, This document relates to: See Appendix A	MDL NO. 1407 ORDER GRANTING DEFENDANTS' SCHERING PLOUGH CORPORATION AND SCHERING PLOUGH HEALTHCARE PRODUCTS, INC.'S MOTION TO DISMISS FOR PLAINTIFFS' FAILURE TO COMPLY WITH COURT-ORDERED DISCOVERY

THIS MATTER comes before the court on a motion to dismiss for failure to comply with court-ordered discovery pursuant to Case Management Order ("CMO") Nos. 13 and 13A by Defendants' Schering Plough Corporation ("SPC") and Schering Plough Healthcare Products, Inc ("SPHCP").[1] Having reviewed the pleadings filed in support of and in opposition to this motion, the court finds and rules as follows:

I. BACKGROUND

On May 2, 2003, the court entered CMO 13 requiring counsel

[1] This motion was filed on July 25, 2003.

for plaintiffs naming more than one manufacturing defendant in their complaint to file and serve an affirmation setting forth the PPA product or products allegedly ingested by each plaintiff and the defendant or defendants whom the plaintiff claims is the manufacturer of those products. Under CMOs 13 and 13A, which the court entered on June 21, 2003, a defendant who is not named in the affirmation can move to dismiss the claims against it.

Defendants SPC and SPHCP now move to dismiss the plaintiffs in the cases identified in Appendix A of this order for either failing to file affirmations or Plaintiffs Fact Sheets ("PFS"), pursuant to CMO 6, or for failing to identify defendant or defendant's products in the affirmations or PFS that were filed. Various plaintiffs represented by the same counsel filed a collective opposition contending that dismissal is not appropriate.

II. DISCUSSION

Plaintiffs allege that CMO 15A renders this motion moot and supercedes CMOs 13 and 13A. CMO 15A, along with CMO 15, requires plaintiffs in mass joinder cases to file individually severed complaints. CMO 15A provides a means by which plaintiffs who fail to file such timely severed complaints will be dismissed. Accordingly, nothing in CMO 15 or 15A supercedes CMOs 13 and 13A. Furthermore, plaintiffs' argument that the present motion be denied because it "is possible that Plaintiffs identified Defendants' PPA-containing products in the individual new

Complaints and not Affirmations," makes no sense given that the newly severed complaints cannot include any new allegations. If plaintiffs failed to identify SPC and SPHCP or any SPC and SPHCP products in their affirmations, which were based on their original complaints, the newly severed complaints cannot now identify SPC and SPHCP or SPC and SPHCP products.

Plaintiffs also assert that plaintiffs Theodore Wells and Dorothy Warren were improperly included in defendants' motion to dismiss, and that these plaintiffs did in fact submit fact sheets and affirmations. Plaintiffs' Opp. at 2. Defendants, however, have withdrawn their motion as to Wells and Warren, because Wells and Warren each agreed to dismiss their claims with prejudice. Defendants' Reply at 3.

Given that the remaining plaintiffs at issue fail to provide any other substantive basis for opposing defendant's motion - for instance, plaintiffs do not assert that they have properly filed affirmations or that the affirmations do in fact name defendant or defendant's products - the court finds that dismissal under CMOs 13 and 13A is appropriate. As such, SPC and SPHCP's motion to dismiss for failure to comply with court-ordered discovery pursuant to CMOs 13 and 13A is GRANTED. The claims against SPC and SPHCP in the cases listed in Appendix A are DISMISSED with prejudice.

DATED at Seattle, Washington this 15 day of OCTOBER, 2003.

Barbara Jacobs Rothstein
