

Minutes Ordering Parties To Submit Proposed Order 01/24/2002

IN CHAMBERS PROCEEDINGS:

On December 21, 2001, the court ordered the parties to submit a proposed order regarding trial dates, motion schedules, and a list of anticipated motions, no later than thirty days from the date of issuance of that order. Counsel has made a request to the court that the date be extended to accommodate some out-standing issues that the court has before it. The court hereby grants that request, allowing the parties an additional twenty-one days from the date of the court's order resolving the out-standing issues in which to submit the above-referenced order.
