UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

IN RE: PHENYLPROPANOLAMINE (PPA) PRODUCTS LIABILITY LITIGATION, This document relates to: See Appendix A	MDL NO. 1407 ORDER GRANTING DEFENDANT GSK'S MOTION TO DISMISS

THIS MATTER comes before the court on a motion to dismiss pursuant to Case Management Order ("CMO") 13 by SmithKline Beecham Corporation dba GlaxoSmithKline, GlaxoSmithKline Consumer Healthcare, L.P., SmithKline Beecham Consumer Healthcare L.P., GlaxoSmithKline Consumer Healthcare, L.L.C. and SmithKline Beecham Holdings Corporation (collectively "GSK").[1] Having reviewed the pleadings filed in support of and in opposition to this motion, the court finds and rules as follows:

I. BACKGROUND

On May 2, 2003, the court entered CMO 13 requiring counsel for plaintiffs naming more than one manufacturing defendant in

[1] This motion was filed on August 19, 2003.

their complaint to file and serve an affirmation setting forth the PPA product or products allegedly ingested by each plaintiff and the defendant or defendants whom the plaintiff claims is the manufacturer of those products. Under CMOs 13 and 13A, which the court entered on June 21, 2003, a defendant who is not named in the affirmation can move to dismiss the claims against it.

Defendant GSK now moves to dismiss the plaintiffs in the cases identified in Appendix A of this order for either failing to file affirmations or Plaintiffs Fact Sheets ("PFS"), pursuant to CMO 6, or for failing to identify defendant or defendant's products in the affirmations or PFS that were filed. Various plaintiffs represented by the same counsel filed a collective opposition contending that dismissal is not appropriate.

II. DISCUSSION

Plaintiffs allege that CMO 15A renders this motion moot and supercedes CMOs 13 and 13A. CMO 15A, along with CMO 15, requires plaintiffs in mass joinder cases to file individually severed complaints. CMO 15A provides a means by which plaintiffs who fail to file such timely severed complaints will be dismissed. Accordingly, nothing in CMO 15 or 15A supercedes CMOs 13 and 13A. Furthermore, plaintiffs' argument that the present motion be denied because it "is possible that Plaintiffs identified Defendants' PPA-containing products in the individual new Complaints and not Affirmations," makes no sense given that the newly severed complaints cannot include any new allegations. If

plaintiffs failed to identify GSK or any GSK products in their affirmations, which were based on their original complaints, the newly severed complaints cannot now identify GKS or GSK products.

Plaintiffs also argue that particular individuals, including Mack Dennis, Birdia Mitchell, Larnette Mitchell, Ruby Jean Presley, Ivory Raphiel, Marilyn Lewis, John Riptoe, and Chyral Bush, filed affirmations, amended complaints, or PFS identifying GSK as a manufacturer of a product that caused their injuries. However, while plaintiffs John Riptoe and Chyral Bush did identify a GSK product in their PFS, the remaining plaintiffs have never identified GSK or a GSK product as a part of their case. See Pls' Opp'n, Ex. 3 and GSK's Reply, Exs. 2-7. Accordingly, only the claims of John Riptoe and Chyral Bush are omitted from GSK's motion to dismiss.[2]

Given that the remaining plaintiffs at issue fail to provide any other substantive basis for opposing defendant's motion - for instance, plaintiffs do not assert that they have properly filed affirmations or that the affirmations do in fact name defendant or defendant's products - the court finds that dismissal under CMOs 13 and 13A is appropriate. As such, defendant's motion to dismiss pursuant to CMOs 13 and 13A is GRANTED. The claims against GSK in the cases listed in Appendix A are DISMISSED with

---

[2] An additional opposition was filed on behalf of certain plaintiffs named in GSK's motion who did not name GSK or a GSK product in their complaints. See Pls' Opp'n to GSK Mot. (Aug. 28, 2003). The names of those plaintiffs have also been removed from Appendix A.

prejudice.

DATED at Seattle, Washington this 14 day of OCTOBER, 2003.

Barbara Jacobs Rothstein
