This document relates to:

Buxton v. Lil' Drug Store, et
al., No. 02-1528

IN CHAMBERS PROCEEDING:

In the course of reviewing plaintiff's motion to remand this case to state court in Mississippi, the Court has noted that the parties' submissions create doubt as to whether plaintiff actually suffered a stroke, which raises the issue of whether plaintiff's case is properly included in multi-district litigation ("MDL") No. 1407. The Court requests that the parties confer regarding this issue and contact law clerk Sarah Dion **within two days** of the posting of this order to propose a briefing schedule to address this issue.
