IN RE: PHENYLPROPANOLAMINE (PPA) PRODUCTS LIABILITY LITIGATION, This document relates to: See Appendix A	MDL NO. 1407 ORDER GRANTING DEFENDANT BLOCK DRUG COMPANY, INC. AND BLOCK DRUG CORPORATION'S MOTION FOR DISMISSAL WITH PREJUDICE

THIS MATTER comes before the court on a motion for dismissal with prejudice pursuant to Case Management Order ("CMO") 13 by Block Drug Company, Inc. and Block Drug Corporation (collectively, the "Block Defendants").[1] Having reviewed the pleadings filed in support of and in opposition to this motion, the court finds and rules as follows:

I. BACKGROUND

On May 2, 2003, the court entered CMO 13 requiring counsel for plaintiffs naming more than one manufacturing defendant in their complaint to file and serve an affirmation setting forth the PPA product or products allegedly ingested by each plaintiff

[1] This motion was filed on August 19, 2003.

and the defendant or defendants whom the plaintiff claims is the manufacturer of those products. Under CMOs 13 and 13A, which the court entered on June 21, 2003, a defendant who is not named in the affirmation can move to dismiss the claims against it.

The Block Defendants now move to dismiss the plaintiffs in the cases identified in Appendix A of this order for either failing to file affirmations or Plaintiffs Fact Sheets ("PFS"), pursuant to CMO 6, or for failing to identify defendant or defendant's products in the affirmations or PFS that were filed. Various plaintiffs represented by the same counsel filed a collective opposition contending that dismissal is not appropriate.

II. DISCUSSION

Plaintiffs allege that CMO 15A renders this motion moot and supercedes CMOs 13 and 13A. CMO 15A, along with CMO 15, requires plaintiffs in mass joinder cases to file individually severed complaints. CMO 15A provides a means by which plaintiffs who fail to file such timely severed complaints will be dismissed. Accordingly, nothing in CMO 15 or 15A supercedes CMOs 13 and 13A. Furthermore, plaintiffs' argument that the present motion be denied because it "is possible that Plaintiffs identified Defendants' PPA-containing products in the individual new Complaints and not Affirmations," makes no sense given that the newly severed complaints cannot include any new allegations. If plaintiffs failed to identify the Block Defendants or any of

their products in their affirmations, which were based on their original complaints, the newly severed complaints cannot now identify GKS or GSK products. Plaintiffs also argue that particular individuals, including Flora Jane Carroll, James Edwards, Willie Reliford, Stanley Sanford, Larry Smith, Mattie Wilson and John Riptoe, filed affirmations, amended complaints, or PFS identifying the Block Defendants as a manufacturer of a product that caused their injuries. However, while plaintiffs James Edwards, Willie Reliford, Mattie Wilson and John Riptoe may have identified a product manufactured by the Block Defendants in their PFS,[2] the remaining plaintiffs have never identified the Block Defendants or a product manufactured by the Block Defendants as a part of their case. Accordingly, only the claims of James Edwards, Willie Reliford, Mattie Wilson and John Riptoe are omitted from the Block Defendants' motion for dismissal with prejudice.

Given that the remaining plaintiffs at issue fail to provide any other substantive basis for opposing defendants' motion - for instance, plaintiffs do not assert that they have properly filed affirmations or that the affirmations do in fact name defendants or defendants' products - the court finds that dismissal under CMOs 13 and 13A is appropriate. As such, defendants' motion for

dismissal with prejudice pursuant to CMOs 13 and 13A is GRANTED. The claims against the Block Defendants in the cases listed in Appendix A are DISMISSED with prejudice.

DATED at Seattle, Washington this 14 day of OCTOBER, 2003.
