UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON

JOHN A. BURNS, Clerk
Deputy
208 21
P. 208

In the Matter of Transcript Rates of Official Court Reporters.)

ORDER

See order of 10/28/58
of Appending
to Daily Transcript

WHEREAS, action taken by the Judicial Conference at its meeting held on March 18 and 19, 1958 with regard to transcript rates of court reporters, approves an increase over existing rates; and,

See Order of 10/21/66

WHEREAS, the District Court in this District finds that existing rates of 55 cents per page for original, and 25 cents per page for copy, of ordinary transcript are insufficient to provide a fair and just return for the making of such transcript because of the increase in typing costs, the cost of supplies, and the general high level of prices:

IT IS, THEREFORE, ORDERED that, from and after the date of this Order and the certification thereof to the Director of the Administrative Office of the United States Courts, the transcript rates in this District shall be 65 cents per page for original, and 30 cents per page for copy, of ordinary transcript, and 90 cents per page for original, and 30 cents per page for copy, of daily transcript, provided that the charge for daily or other expedited transcript shall be fixed by agreement of the parties subject to the approval of the judge presiding, and, in lengthy cases, fixed after the conclusion of the case, with progress payments to the reporter or by deposits ordered by the court.
