THE HONORABLE JAMES L. ROBERT

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

UNITED STATES OF AMERICA,

Plaintiff,

v.

CITY OF SEATTLE,

Defendant.

CASE NO. 2:12-cv-01282-JLR

STIPULATION AND ~~PROPOSED~~ ORDER
FOR MODIFICATION AND FOR ENTRY
OF PRELIMINARY APPROVAL OF THE
PARTIES' SETTLEMENT AGREEMENT
AND STIPULATED ORDER OF
RESOLUTION

Please note on motion calendar for:
September 19, 2012

Pursuant to this Court's Order of August 30, 2012 Provisionally Approving the Settlement Agreement (Dkt. No. 8), Plaintiff United States of America and Defendant City of Seattle (collectively, the "Parties") hereby STIPULATE, AGREE and JOINTLY AND RESPECTFULLY MOVE the Court (a) to modify the Parties' Settlement Agreement and Stipulated [Proposed] Order of Resolution (Dkt. No. 3-1, "Settlement Agreement and Order of Resolution") and (b) to enter preliminary approval of the Settlement Agreement and Order of Resolution, as follows:

171. No later than 60 days from the Effective Date, *i.e.* by October 26, 2012, the

Parties will select a Monitor. Given this Agreement's emphasis on use of force, one

1 qualification the Parties should consider is the Monitor's experience in law enforcement or
2 criminal justice. The Parties will advise the Court on the progress of the selection of the Monitor
3 through regular joint status reports submitted to the Court and additional status conferences as
4 directed by the Court. If the Parties are able to agree on a Monitor, on or before October 26,
5 2012, the Parties will file a Stipulated Motion and [Proposed] Order for Approval of the Monitor
6 with the Court. If the Parties are unable to agree on a Monitor, each Party will submit the names
7 of three candidates, or three groups of candidates, along with resumes and cost proposals, to the
8 Court, and the Court will select and appoint the Monitor from among the qualified
9 candidates/candidate groups.

10 172. The Monitor will be an agent of the Court for purposes of assessing the City's
11 compliance with the Settlement Agreement. The Monitor will only have the duties,
12 responsibilities, and authority conferred by the Agreements. The Monitor will not, and is not
13 intended to, replace or assume the role and duties of any City or SPD staff or officials, including
14 the Chief.

15 173(b). The Monitor will issue public reports every six months detailing the Parties'
16 compliance with the Settlement Agreement. The Monitor will also file these reports with the
17 Court. In addition, the Monitor will provide status updates directly to the Court following the bi-
18 monthly status meetings with the parties referenced in paragraph 191.

19 177. SPD will submit the policies, procedures, training curricula, and training manuals
20 required to be written, revised, or maintained by the Settlement Agreement to the Monitor and
21 DOJ for review and comment prior to publication and implementation. The Parties will meet
22 and confer regarding any comments on the policies, procedures, training curricula, and training
23 manuals within 45 days of submission if necessary. The Monitor will approve the materials

1 unless the Monitor determines that they conflict with the terms of the Settlement Agreement. If
2 the Monitor disapproves, he or she will state the reasons for the decision in writing.

3 178. If either Party objects to the determination of the Monitor the Parties will meet and
4 confer on the objections within 14 days. If necessary, and consistent with the other deadlines
5 herein, any Party may petition the Court thereafter to resolve the objections. The Parties will
6 also submit to the Court the policies and procedures approved by the Monitor. The Court may,
7 at its discretion, hold a status conference with the Monitor and the Parties to discuss the
8 approved policies and procedures, and any petition to resolve objections.

9 219. The Settlement Agreement is binding upon all Parties hereto, by and through their
10 officials, agents, employees, and successors. If the City establishes or reorganizes a government
11 agency or entity whose function includes overseeing, regulating, accrediting, investigating, or
12 otherwise reviewing the operations of SPD or any aspect thereof, the City agrees to ensure these
13 functions and entities are consistent with the terms of the Settlement Agreement and will
14 incorporate the terms of the Settlement Agreement into the oversight, regulatory, accreditation,
15 investigation, or review functions of the government agency or entity as necessary to ensure
16 consistency. The Settlement Agreement is enforceable only by the Parties. No person or entity
17 is intended to be a third-party beneficiary of the provisions of the Settlement Agreement for
18 purposes of any civil, criminal, or administrative action, and accordingly, no person or entity
19 may assert any claim or right as a beneficiary or protected class under the Settlement Agreement.
20 Although the foregoing is a statement of the Parties' intent with respect to the applicability of the
21 Settlement Agreement, this provision does not prejudice standing or the right to intervene in any
22 federal court action.

1 223. To ensure that the requirements of the Settlement Agreement are properly and
2 timely implemented, the Court will retain jurisdiction of this action for all purposes, including
3 but not limited to any disputed changes to policies, procedures, training, and practices, until such
4 time as the Court determines that the City has achieved full and effective compliance with the
5 Settlement Agreement and has maintain such compliance for no less than two years. At all
6 times, the City and SPD will bear the burden of demonstrating substantial compliance with the
7 Settlement Agreement. When the United States, the Monitor, and the Court agree that the City
8 has maintained substantial compliance, the City will be relieved of that portion of the Settlement
9 Agreement.

10 224. The United States acknowledges the good faith of the City of Seattle in trying to
11 address the remedial measures that are needed to ensure constitutional policing in Seattle. The
12 United States, however, reserves its right to seek enforcement of the provisions of the Settlement
13 Agreement if it determines that the City and SPD have failed to fully comply with any provision
14 of this Agreement. The United States agrees to consult with officials from the City of Seattle
15 before commencing enforcement proceedings, and to provide opportunity to cure consistent with
16 the informal dispute resolution procedure set forth in Paragraph 222. After notice to the Parties
17 and the Monitor, and an opportunity to be heard, the Court also has the power, *sua sponte*, to
18 issue orders or directions to the Parties and/or the Monitor regarding the Settlement Agreement
19 and Stipulated Order of Final Resolution including, but not limited to, the construction,
20 performance, and enforcement of its terms and provisions, as well as punishment for any
21 violations or lack of compliance.

22 229. The Parties anticipate that the City and SPD will have reached full and effective
23 compliance with this Agreement within five years of its Effective Date. The Parties may agree

1 to jointly ask the Court to terminate the Agreement prior to this date, provided the City and SPD
2 have been in full and effective compliance with the Agreement for two years. In any event, the
3 Parties' Settlement Agreement and Stipulated Order of Resolution may only be terminated with
4 the consent of the Court.

5 So stipulated, agreed, and respectfully and jointly submitted on September 19, 2012.
