25 proceeding assigned to a particular judge and that judge is
26 unavailable for any reason, any other judge may hear and
27 dispose of the matter requiring immediate attention, but
28 such action shall not constitute reassignment of the case
29 or proceeding.

30 9. A. When civil or criminal actions involving a
31 common question of law and fact (but not necessarily the
32 same parties) are assigned to different judges and it appears
to the Clerk that there may be good reason to assign all of
said actions to one judge, the Clerk shall notify the judge

1 to whom the first case was assigned, who shall make the
2 determination as to whether the subsequent actions should
3 be assigned to him.

11 not provided for under this division of business order to
12 Judge Boldt for assignment or disposition.
