

STIPULATED PROTECTIVE ORDERS

Western District Local Rule 26(c) discusses and contains a link to the district's model protective order, which the parties are encouraged to use and which is also available on the Western District Court's website. The rule requires that when parties submit a stipulated protective order for the Court's approval, they must also provide the Court with a redlined version, identifying departures from the model. LCR 26(c)(2). The redlined version may be submitted to chambers via an email to settleorders@wawd.uscourts.gov.
